

## Toys for Tots: XMCO INC. plays Santa

Employees of XMCO delivered another impressive performance in their annual Toys for Tots drive. In the time between Thanksgiving and December 20, employees at the Warren, Mich. company brought in about 100 gifts for the program sponsored by the U.S. Marine Corps Reserve.

“It’s a wonderful program and given our close relationship with the Marine Corps there is no shortage of enthusiasm,” said Linda Czajka, president and CEO of XMCO. “We’ve had a toy drive for the last five years and look forward to supporting the program for many years into the future.”

Toys for Tots is a program to deliver, through a new toy at Christmas, a message of hope to less fortunate youngsters that will assist them in becoming responsible, productive, patriotic citizens.

GySgt Andrew Morlett and Mr Benjamin Brogd from the PM LAV Office at TACOM assisted XMCO INC. Human Resource Manager Sharon Alred by picking up donated toys.
